

We are going through a difficult time at the moment with more and more pupils testing positive for Covid. This impacts on the whole school. **Thank you** to those parents who gave us permission to release the names of their children – it does make it 'easier' because then we do not have to close the whole grade.

We really need our parents to help us!

A few very **important** points:

- PLEASE do not send **a sick child** to school – you are putting so many other people in danger!
- PLEASE do not send your child to school if somebody in the family is waiting for a test result or is going for a test
- PLEASE do not allow your child to go to **gatherings/parties** – these are still super spreaders.
- If your child is at home, PLEASE make sure that he/she stays up to date with the work because pupils can't afford to fall behind! The work is on myHomework. Staying at home does not mean that the pupils must stop working.
- **Communication** with teachers is VERY important. If your child is sick and cannot submit work, make sure he/she sends an email to the teachers. If he/she wants the teacher to explain work, he/she can ask for a Google Meet – teachers are willing to assist.
- If the child is at school, there really is NO excuse not to submit work.
- Children are taking chances and we need you to help us so that it doesn't happen!
- PLEASE check ADAM regularly so that you can work together to ensure all work is updated.
- We are cancelling all extra-curricular activities until further notice AND therefore we ask that all pupils get picked up at 14h00. We do not want ANY pupils loitering around after school. That includes the homework venue. It is for the safety of pupils and staff.

I do have some good news to share today. It was an honour for me to announce our junior leaders. Out of this group, we will elect our prefect body for 2022. Congratulations to these Grade 11s and their parents.
