Dear Parents and Guardians of PEPPS College

Welcome back to all our pupils and also a warm **PEPPS** welcome to all our **new** pupils!

Matric results will only be released on the 19th of January 2022.

New staff members for 2022:

We welcome you with open arms into our family and we trust you will enjoy working at PEPPS.

Our calendar is very full ... full of opportunities for each and every pupil to shine. Please encourage your child to take part in activities that are offered at the school. There really is something for everybody. We are working on holistic education for your child.

Pupils are expected to take part in at least one extra-curricular activity per term.

Our theme for 2022 is:

I hope everybody is going to embrace it. Our other focus is still *Creating Tomorrow's Leaders*. We are again going to focus on different leadership skills in the different grades.

➔ Please remember that all pupils must have **a laptop** to use for school work. They will be connected to the Wi-Fi at school and will be allowed to use their devices for work WITH the permission of the teacher. **Cell phones are not allowed at school during school hours.**

The calendar for the year will be available on Google Classroom. We are no longer using myHomework in the College and Google Classroom will be the communication tool that we use for announcements, school work updates, etc. You will receive a link via email to fill in 1 email address per pupil to receive communication.

- We value the *Essential 15*. It is in the Information Booklet – please take a few minutes to read through it. (Available on the website)
