- It is compulsory for every pupil to choose at least one of the school extra-curriculars per term.
- Failure to sign up or to attend practice without a valid reason communicated ahead of time will result in penalties.
- Google forms will be sent out to the pupils before the start of every season where they will be asked in which extra-curricular they would like to participate.
- Extra Mathematics is compulsory for pupils whose Mathematics marks are below standard. This will be communicated by the Mathematics HOD via email.
- Matches and workshops will be run on Saturdays and will be communicated by coaches ahead of the time via email.
- Any queries or concerns can be directed to Miss Samantha Hultum at hultums@pepps.co.za
