History of PEPPS

The Project for the Establishment of Primary and Pre-Primary Schools (PEPPS) has its origins in apartheid South Africa. The mandate of the Trust was to bring excellent education to previously disadvantaged communities at as affordable a price as possible.

PEPPS does not offer boarding facilities but rather tries to establish schools within the communities that we serve. The initial intention was to offer an education that contrasted completely with apartheid-era education by encouraging pupils to be critical and creative thinkers rather than rote learners. It was decided to empower the pupils by teaching in English and prioritising mathematical skills.

Two schools, PEPPS Motheong and PEPPS Edendale, were established in the late 1980s in Pretoria. In Pietersburg, a group called the Pietersburg Private School Committee (PPSC) was formed with the hope of establishing a non-racial excellent independent school in then Pietersburg. That group heard about the PEPPS Trust in Pretoria and requested to establish a school under their banner.

PEPPS started to grow in Limpopo, establishing a number of pre-schools. Over time only PEPPS Mokopane, PEPPS Modjadjiskloof and PEPPS Ga-Ledwaba went on to open preparatory schools and PEPPS Polokwane opened a college that wrote the IEB Examinations in 1996. Sadly, PEPPS Modjadjiskloof has closed down. In 1991, PEPPS started in Koppiesfontein with a tiny staff and big dreams. In 1992, the school moved to the current campus in Mygenoen and now operates as PEPPS Polokwane.

The beginnings of the school were humble, yet it has rapidly grown into one of the best independent schools in the Limpopo Province, boasting a habitual 100% matric pass rate and over 80% bachelor's degree pass rate.

Preparatory Policies, Practices and Procedures Booklet

The Polokwane campus was headed by Mrs Carol Melville until 2010. She was succeeded by Mrs Leigh Melville and Mrs Julia Werner. It was pleasing to see racial diversity among the pupil body of Polokwane. In 2018, PEPPS Polokwane acquired another 8 hectares of land which has enabled the school to expand further and serve more pupils.

PEPPS Mokopane was headed by Mrs Charmain Geldenhuis from 1993-2002. Mrs Grace Meta took the reins in 2003, after which Mrs Annette van Wyk headed the school from 2004 until 2019 and she laid down a solid foundation of reputable teaching for the Mahwelereng community.

The long-established Lebowakgomo pre-school received land from the Ndlovu-Ledwaba Tribal Authority and started developing a preparatory school campus in 2016 under the leadership of Mrs Mokgadi Rabalao.

PEPPS opened a college in Mokopane in 2022 and would like to open a college in Ga-Ledwaba in the foreseeable future. The Board is exploring the option of opening a new campus serving the Ba-Mothapo community near Mankweng.

Mr Patrick Hamilton, then Headmaster of Waterkloof House Preparatory School, was the pioneer who initially started these three PEPPS Schools. Advocate Dikgang Moseneke was the first Board Chairman in 1991, followed by Mrs Dora Nkamana in 1992. Mr Chwaro Setloane became the Chairman of the Board, serving until 2000. PEPPS's reputation for excellence became well appreciated in Limpopo and most of the schools established thrived. Dr Arthur Ledwaba was a member of the founding Committee and has subsequently served as the Chairman of the Board since 2000. Along with a reliable and dedicated Board of Trustees, he has seen PEPPS continue to grow and set young people up to be leaders of the future.

As a non-profit company, PEPPS welcomes both corporate and individual donations to assist us in serving more South African pupils close to their homes and can issue Donation Tax Certificates. Our track record is proven and all monies collected from donations and through school fees are used exclusively for the betterment and expansion of our educational offering.

***Creating Tomorrow is based on Project-based Learning philosophy** → a teaching method in which pupils gain knowledge and skills by working for an extended period of time to investigate and respond to an authentic, engaging and complex question, problem or challenge. It is pupil-driven and teacher-facilitated.

(√) Genius Hour is based on Inquiry-based Learning philosophy → pupils are allowed the freedom to learn about subjects that interest them. The process involves asking questions, researching, creating and sharing new-found knowledge.

***Information Technology** → Stimuzone is offered to all pupils (Grade 1-7) for Coding and Robotics. All subjects integrate Information Technology into their practice by means of research or creation.

Additional assistance

Should a pupil require additional assistance in any subject, he/she may make a booking with the relevant teacher. All teachers have a booking sheet up in their classrooms. Pupils are expected to arrive at these additional contact time sessions fully prepared with specific questions. Pupils who do not engage meaningfully during class time lessons may be denied extra time by their teacher.

If a pupil does not achieve 50% at the end of a term, he/she will be required to attend extra Mathematics and English classes during the next term.

2. AFTER-SCHOOL SUPERVISION

At PEPPS, pupils are encouraged to make full use of their time. If pupils are on campus after school, they should be participating in one of the many formal activities offered. Pupils who are not gainfully occupied with a school activity should be collected at 13h45. They are allowed to support teams that are playing competitive fixtures, with permission. Loitering on campus is discouraged. Pupils caught loitering around campus may be given penalty points. Any pupils still on campus after 14h10 must report to Room 7.

3. APPEALS

PEPPS Preparatory always aims to provide pupils with the highest quality learning and teaching experience. However, we recognise that from time to time, problems might arise that need to be dealt with if our normal high standards are to be maintained. The Appeals Procedure enables matters of concern to be brought to our attention so that they can be investigated and resolved. Disputed decisions may relate to behavioural concerns; results in individual assessments; the attainment of group awards or progression either within an assessment or to a more advanced level of study. Penalty points given may be presented for appeal (only 3 per year).

Stage 1 – The Informal Stage

The Preparatory School believes that problems (e.g. insufficient assessments done during the term, assessments not returned, pupil moderation not taking place, unfair giving of penalty points) are best dealt with quickly and informally with the member of staff concerned.

Pupils and their parents should not feel anxious about raising a concern with a member of staff. All requests for discussion/clarification of a decision are to be taken seriously and no pupil shall suffer any disadvantage or recrimination as a result of making such a request respectfully. Many issues arise from misunderstandings which can often be resolved quickly and easily by talking through the matter.

Stage 2 – The Formal Stage

At times, there may be issues that cannot be resolved through discussion with the teacher directly involved. In these circumstances, the formal appeal procedure must be used.

The Formal Stage A

A formal appeal should be submitted on an Appeal Form, available from Reception at the Admin Office. Completed forms should be returned to the subject HOD (academic matters) or Grade Coordinator (discipline matters), stating in full the reason for disputing the decision in question. If a pupil or parent has any difficulty completing the Appeal Form, advice and assistance are available from the HOD. Applications should be made within 3 days of a pupil's/parent's informal discussion with the member of staff. Parents are welcome to assist their children.

The Formal Stage B

Within 3 days, the HOD will convene a meeting. The pupil/parent will be notified of the date, time and venue of the meeting and will be invited to attend to make his/her appeal directly to the HOD and Head. The pupil is welcome to be accompanied by his/her parents. Feedback will be given within 2 days.

The Formal Stage C

Within 2 days of the meeting, the pupil will be notified of whether or not his/her appeal has been upheld and will also be informed of what action will be taken to resolve the situation.

Stage 3 – The Appeal Stage

Should a pupil still feel aggrieved, an appeal, following the above procedure, may be presented to the Head and ultimately, if necessary, the Executive Head. A pupil may lodge a maximum of 3 unsuccessful appeals in a year.

4. ASSEMBLY / PRAISE & WORSHIP

Assembly is held once a week. Any announcements to be made in assembly must be given to the person conducting the assembly (Head, HOD or teacher responsible for the Grade 7 Committee) by Friday of the previous week. Pupils are to make an extra effort to look their best during assembly. Uniforms are checked as pupils leave the assembly. Grade 7 Leaders lead an assembly once a term. Parliament Assemblies take place once a term. The Gr7 pupils have a turn to lead the Assembly each week.

A Praise & Worship session happens during Rotation on a Monday. The pupils sing Christian hymns and songs.

5. ASSESSMENT

A MINIMUM OF THREE DIFFERENT FORMS OF ASSESSMENT MUST BE USED PER SUBJECT EACH TERM. The forms of assessment must meet the requirements and should extend beyond the requirements, as laid down in the CAPS documents for each subject (Grade 1–7).

All Grade 4–7 pupils must have a pupil portfolio. This portfolio will hold all written assessments in all subjects. This portfolio is kept by the pupil. Assessments, including exams, are returned after moderation and taken home to be signed by the parents.

Subjects with practical components should aim for one practical activity per term.

Grade 4–7 pupils write group tests during the formal test period on Thursdays. An assessment schedule is compiled at the start of the year. Additional assessments are done during teaching time.

Grade 4-7 pupils will be assessed on one project every 13-15 school days. These projects will be selected by the pupils at the start of the 14 days. They will be completed predominantly during school time and mentored by a teacher.

Examinations for Grade 4–7 pupils are written twice a year, in June and in November.

6. ATTENDANCE/ABSENTEEISM

School starts at 07h25 each day and ends at 13h45 on Monday to Thursday and 12h30 on Friday. The timetable works on a six-day cycle system.

It is required of all pupils who are absent from school to email the school on the day of absence or bring a note of explanation for their absence from a parent, guardian or doctor on the day they return to school. The email address for absent pupils: absentplk@pepps.co.za

If a note is sent, the register teacher must send this note to the office to be kept in the pupil's file. If a group test or examination is missed, a doctor's certificate is expected. A letter from a parent is only permitted for **one group test** per year. If a pupil does not arrive to write a test during the first Monday (during Rotation Period) after they are back at school, ideally the pupil should write the test on the first Monday they are back. This can be decided on at the discretion of the teacher to accommodate the pupil's circumstances, i.e. was the pupil able to study during the illness? Was the pupil out of the country/at a sports event which prevented study time, etc?

If a pupil is absent for a group test, he/she must ensure that his/her register teacher and subject teacher see the **doctor's certificate**. The doctor's certificate, along with a copy of the test, will be given to the 'make-up test' teacher by Friday of that week.

Morning line-up and registration are compulsory for all pupils and begin at 07h25. Pupils who are late for school must report first to the Admin Office which will change the absence on the register to a late arrival. The names of the pupils who are late are recorded by the Admin Staff and parents are contacted if the late arrival becomes habitual. A pupil receives a "late arrival" slip which must be handed to the first lesson teacher as proof they have passed through Admin. Parents are to ensure that children arrive on time for the school day.

If a pupil needs to leave school early, he/she must report to the office and receive a note to hand to security, before leaving the school property.

PEPPS has a number of compulsory Saturday events that reflect on the annual school calendar at the start of the year. These contribute towards our holistic curriculum programme. A doctor's certificate must be provided if one of these Saturdays is missed.

7. BIRTHDAYS

We think it is very important to celebrate your child's Birthday. Many parents opt to send something to school. This is not affordable for all, and you have no obligation to participate. There are cheaper options like donuts or cookies or something smaller, it does not have to be pizzas.

If you would like to participate in this, please follow these procedures:

1. Please email the register teacher to enquire about the number of pupils in your child's register class. The whole class must be catered for please. Please do not send extra treats for pupils in other classes, this can cause unhappiness.
2. Treats must be delivered to the admin block by 10h00. Your child will then be called to come and collect the treats.
3. Your child will go back to the lesson they are in before long break so that the teacher can supervise the handing out to ensure every child receives a treat.

8. BOOKS

TEXTBOOKS

Textbooks are purchased by the school and loaned to pupils. Such books will be labelled with a specific identification barcode. Textbooks are distributed to the pupils and the condition of the textbook will be noted.

Pupils are expected to cover all textbooks that they receive, write their names into the books and look after the books throughout the year.

Pupils are given until the 1st of February to cover each textbook that they receive with thick plastic and each exercise book that they receive in paper and thick plastic. Pupils who cover their textbooks in the required time are awarded 3 merit points per subject. On the 1st of February, a child with uncovered books will be issued with 3 penalty points. An SMS/email will be sent to the parents informing them that their child's

books have been confiscated. At this time, the teacher should contact the parents of the child and communicate that the books will only be returned to the pupil when paper and plastic are brought to school and the books are covered in the presence of the teacher.

Pupils will pay for the replacement of lost or damaged books, subject to fair "wear and tear".

WORKBOOKS AND SET-WORK BOOKS

Workbooks, long-term reference books and language set-work books will be ordered and supplied by the school.

EXERCISE BOOKS

Exercise books are supplied to the pupils by the school at the start of the year. Additional exercise books will be supplied to the pupil if it is full. If lost, the pupil must provide their own. Pupils' work must conform to the following standards:

- Dates and headings must be used and underlined
- A line must be ruled after each day's work
- Worksheets must be pasted in on the day that they are received
- Space must not be wasted
- Work must be marked and corrected in pencil (or as decided upon by the teacher)
- Work must be up-to-date
- Diagrams must be neat and labelled correctly
- For most work in Mathematics, the page must be divided into two columns.

8. BREAK

Every lesson is straddled by a 10-minute break to allow for free play, which serves to increase attention and academic performance during the lessons. In addition, there is a 30-minute break per day. Teachers and Grade 7 leaders monitor the grounds during break. During break, pupils may not go into any area beyond the tennis courts or swimming pool or any area close to the College classes. Pupils are permitted to play on the all-purpose courts during break, but they must remove their school shoes or wear takkies. Pupils are encouraged to play on the swings and jungle gyms as long as they do so with respect to peers and the equipment. No ball games may be played on the concrete slab at the tuck shop or near the classrooms. They may play in the quad/line-up area. Pupils are expected to ensure that litter is placed in the rubbish bins after break. Electronic devices may not be used during break without the express permission of a teacher. PEPPS encourages face-to-face socialisation during break.

9. BULLYING

PEPPS does not tolerate bullying in any form and all members of the school community are committed to promoting a safe, caring environment. In order to prevent bullying:

School staff are expected to:

- Report all cases of bullying and deal with them swiftly and decisively, while being mindful of the sensitive nature of such incidents.
- Adequately supervise school activities.
- Arrive at class on time and move promptly between lessons.
- Be role models in word and action.
- Educate pupils and parents about bullying through correspondence or information evenings.
- Be observant of signs of distress or suspected incidents of bullying.
- Support victims of bullying and ensure that they are not placed at further risk.
- Support pupils who have been identified as participating or initiating bullying by offering counselling and by using firm boundaries.

- Repeated offences will be treated as gross misconduct in accordance with the school's disciplinary procedure and could render the pupil to disciplinary procedures.

Pupils are expected to:

- Refuse to be involved in any bullying situations and distance themselves from all possible incidents of bullying.
- Report any incident or suspected incident of bullying to a staff member, Grade 7 leader or mentor. An anonymous letter can be handed in at the office for the attention of the Head.

Parents and guardians are expected to:

- Strongly discourage their children from bullying and support the school in disciplining and counselling a child of theirs who is found to be bullying.
- Seek professional help for their child if this is deemed beneficial.
- Watch for any signs of unhappiness in the child's life.
- Take an interest in the child's social & school life.
- Inform the school if there is any suspicion that the child is being bullied.
- Refrain from telling their child to retaliate.
- Seek to address the situation if their child is found to have abused another pupil.

What constitutes bullying?

To be able to deal with bullying we first need to know what it is. There are two important components that constitute bullying behaviour:

Firstly, and most important, bullying is an abuse of power. A bully has power and control over a victim who feels helpless to deal with the situation.

Secondly, bullying is an ongoing and repetitive pattern of harassment and abuse.

Ken Rigby (1996) defines bullying as 'repeated oppression, psychological or physical, of a less powerful person by a more powerful person or group of persons.' It is very important to distinguish between bullying and conflict. Many children involved in conflict believe that they are being bullied.

To further understand bullying, we need to look at all the different role players and their contributions to the situation. Bullying involves the bully, the victim and bystanders who can either support the bully or the victim. Having sought to understand bully behaviour we need to look at ways of addressing it in the school situation.

There are many interventions and prevention strategies that can be put in place in order to assist with bullying in schools. These would include educating learners, teachers and parents as well as providing policies and particular programmes.

When dealing with a particular case of bullying it is important to adopt a strategy where the children are involved in the resolution of the situation and to this end the "No Blame" approach is advocated. The process of dealing with bullying really revolves around empowering all role players to deal effectively with bully behaviour when it is encountered.

An important issue which needs to be addressed in all schools is what has become known as the "Code of Silence". Learners must feel empowered to disclose issues of bullying if these episodes are going to be dealt with effectively.

Dr Elizabeth Smit maintains, "Education for peace aims to empower learners with skills enabling them to play a positive role in maintaining a peaceful society. A conflict resolution programme such as mediation offers learners the opportunity to face their differences and reach their own solutions." As parents, we should be seeking to equip our children to resolve their relationship problems themselves, with our help and guidance where necessary. In this way we empower them to deal with conflict, violence and abuse in a constructive and positive manner.

As per section 9 of the South African Constitution, "Everyone has the right to have his/her dignity respected and protected".

Any discrimination based on race, gender, pregnancy, marital status, ethnic or social origin, colour, sexual orientation, age, disability, religion, conscience, belief, culture, language or birth is unacceptable.

Bullying is premeditated and repetitive in nature.

Ongoing "Mean" letters or electronic messages, name-calling, mean teasing, harassing, making fun of, mocking, irritating, annoying, pushing, grabbing, shoving, poking, tripping, kicking, taking property, damaging property, excluding behaviour, spreading rumours, play fighting, any form of physical or psychological bullying all are examples of bullying.

If the other person is feeling hurt or offended by your behaviour, it is bullying, so stop doing it.

What will happen if there is bullying behaviour?

First-time offender - 10 penalties

An interview is held with the HOD as a witness. The bullying is discussed. The offender writes a letter of apology stating what he/she did and how his/her actions hurt the other person, as well as what he/she would do differently in future. The letter is shown to the HOD who will make a copy of the letter before it is given to the bullied person. The letter will be sent home to the offender's parents to be signed and returned the next day. The letter is filed.

Second-time offender - 20 penalties

Parents are called into the school. A behavioural hearing is held with the offender, his/her parents and the Head of the school. Based on the outcome of this hearing counselling may be recommended.

Third-time offender - Disciplinary hearing with a possibility of exclusion.

10. BUS TRANSPORT SERVICE

Bus services to Bendor, Flora Park and Fauna Park are offered on a first-come first-served basis. If school fee accounts are in arrears, pupils will not be permitted to enjoy the convenience of the bus service. The service is offered at the pupils' own risk and it is charged separately. All PEPPS school rules apply on the PEPPS bus.

11. CELL PHONES AND ELECTRONIC DEVICES

PEPPS Preparatory uses technology to support our pupils from Grade 1-7. Grade 4-6 pupils at times require a device, preferably not a cell phone, for research purposes in Projects. **This will be communicated to parents when necessary.** In order to integrate information technology into our lessons, computers and laptops are available for use by teachers and pupils across a range of subjects from Grade 1-6.

The school uses Google Classroom as a platform for communication and academic support and reinforcement. Teachers post work that was covered in class/audio-visual material if used in lessons/communication with pupils and parents/assessment schedules/scopes for tests and exams. The school also provides the opportunity to extend their mathematical learning by participating in the Matific online Maths programme. It is therefore important that pupils have access to a device at home that can be used under the guidance of a parent/guardian.

Grade 7 pupils are involved with projects and as such are required to purchase a laptop that they will use from Grade 7 through high school. In order to protect the laptop, a Grade 7 will have the privilege of hiring a school locker for the duration of the year. **Grade 7s need to bring their device, a laptop, to school daily.**

No pupil may bring a phone to school. There is no need for a phone. The office phone is available until 15h00 and thereafter Mrs. Jacobs has a phone at afternoon supervision.

If a pupil lives more than 20km away from the school and travels on transport with someone other than with their parents/guardians then a parent may email the head to ask for permission for their child to bring their phone to school. If permission is granted, then the phone must be switched off at school and be kept in the pupil's school bag.

If the child who has been given permission abuses this privilege in any way by using the phone at school, then the child will receive penalties.

If a teacher suspects that a pupil has been using his/her phone during a lesson and the pupil denies this allegation, the teacher may request that the pupil is searched. The pupil must be searched in the presence of a second staff member and by a staff member of the same gender as the pupil. Teachers may also request to see the recent activity on the phone. Any social media activity is not allowed during school time or break time.

Speakers may not be used at school, on the bus or at school events. Speakers that are used without the express permission of a teacher will be confiscated. Earphones may be used during Creating Tomorrow lessons if the teacher gives permission.

Social Media

Social media activity is not allowed during school time or break time. There may be no social media account in the school's name, without an active member of the PEPPS teaching staff in the group. This includes any WhatsApp groups amongst students and classes.

12. CLASSROOMS

Classrooms are aesthetically pleasing and pupil-centred. Good ventilation is important. The following items should be available in all classrooms:

- The School Motto
- The School Vision and Mission Statement
- The PEPPS Essential 15
- Merit and penalty point lists
- An assessment planning sheet
- An extra contact time booking sheet
- A white paper recycling container
- Leadership words

Grade R	Self Control	Grade 4	Organised
Grade 1	Good Manners	Grade 5	Responsibility
Grade 2	Honesty	Grade 6	Service above self
Grade 3	Kindness	Grade 7	Humility

- The pupils are expected to enter the classroom in an orderly manner and stand behind their chairs. The teacher will greet the class before they are seated.
- Pupils' desks must be arranged in such a way that the teacher can move easily around the classroom and can work with each pupil individually. Pupils are not allowed to rearrange desks in the classroom or to change their seats without the permission of the teacher. No graffiti or scratching on desks is allowed.

- Whilst the teacher is teaching there should be no talking; all pupils must remain seated (unless not necessary) and pupils should be focused on the teacher. If this does not occur, the lesson should be stopped and the pupils' behaviour should be corrected. It is important that no pupil deprives other pupils of the opportunity to learn.
- Teachers must encourage a secure environment in which pupils can participate freely. The attitude of mocking those who participate, or laughing at the answers of others, will be disciplined immediately. In the same vein, teachers should not use sarcasm, mockery or victimise the pupils in any way.
- Although an environment conducive to participation is encouraged, it must be controlled. Pupils may not shout out answers. Answers must be offered by individual pupils whom teachers acknowledge by name. When pupils are required to proceed with work individually, this must occur. Quiet discussion of the work is allowed, but this should not distract other pupils from the given task.
- At no time are pupils to be permitted to eat in the classroom. Teachers should also not eat in class. Class parties, etc. should be held outside. Pupils are permitted to drink water from a clear bottle in class.
- Pupils should retrieve books, water, etc. from their Cadiis/bags and visit the bathroom at the start of the day or during breaks. They should be strongly discouraged from going to their bags or the bathroom during classes.
- When a teacher enters another classroom, she/he should greet the class present in that room. The pupils are expected to return the greeting, but it is not necessary for them to stand. When a visitor to the school enters the classroom, it is expected that pupils stand and greet the visitor.
- Immediately after break, the pupils must line up outside their next class with their teacher before entering.
- Since PEPPS is an Eco-School, each classroom has a dustbin specifically allocated to the collection of recyclable waste paper.
- Numerous water fountains are situated throughout the Preparatory School. These can be visited only before or after school, or during break times.

13. COLLECTION OF PUPILS

The school is committed to punctuality, and we strive to adhere to set times in all matters. PEPPS will always endeavour to provide accurate end times of events. Pupils need to be collected within 15 minutes of the end time. Thereafter, parents are held responsible for their children. Teachers cannot be expected to care for un-collected pupils indefinitely at the expense of their own families. The coach/teacher on duty will wait for 15 minutes after the provided end time of an event or tour. Pupils will wait in Room 5 and parents will be charged a penalty fee.

14. CONTROL OF WORK

BOOK MONITORING

It is not necessary for teachers to assess each completed piece of work. Although the teachers mark most activities and homework, at times pupils mark their own work or the work of their peers. It remains the teacher's responsibility to ensure that work is completed and corrected. Teachers must ensure that the pupils are given the correct answers to questions. Answers may be written on the board, projected onto the screen, read out clearly or posted on Google Classroom.

ASSESSMENTS

When a teacher does assess work, justification of the assessment reached must be provided, i.e. assessment criteria are given, a rubric is provided, a memo is available, etc. Qualitative comments should also be used to give directions for possible improvement, to motivate and praise, or constructively criticise. Teachers must attempt to assess and return work handed in for marking in a period no longer than 5 school days.

It is the teacher's responsibility to monitor whether the pupil's work is up to date and to take action when it is not. Penalty points are given when homework (Mathematics and English) is not done or work is not kept up to date. A pupil whose work is continuously incomplete must be brought to the attention of the HOD. The HOD will speak to the pupil and may communicate with the parents/guardians/caregivers.

FAILURE TO SUBMIT AN ASSIGNMENT

If a pupil fails to submit an assignment on the due date, without a reasonable and verified explanation, 2 penalties will be issued for each school day that the assignment is overdue. After two days, if the assignment is still not submitted, the teacher will email the parents, and copy the Grade Head, to notify them that the pupil has failed to submit it. This email must be sent via ADAM. The mark awarded for the work will be recorded on the assessment. The late penalty points must also be indicated, but late penalties in no way change the mark. If no task is submitted after 5 school days, no marks will be awarded for that item. An *Absent* will be awarded. A comment will appear on ADAM.

15. COUNSELLING

The latest Child Protection and Confidentiality Laws limit the support we can legally offer children. A teacher may not be alone in a classroom with a pupil with the door closed. Legally teachers may not counsel pupils – who seek guidance regarding non-school related issues – without a counselling qualification. Pupils may only request counselling from a member of staff who has a counselling qualification. A list of these teachers will be made available. Teachers with counselling qualifications may only counsel pupils for a maximum of 4 sessions. If a pupil requires further professional counselling, parents need to source a qualified professional outside of the school for their own account.

16. DETENTION

The purpose of detention is to give pupils an opportunity to reflect on their behaviour, take responsibility for it, understanding the consequences and make changes in a positive way.

- Pupils and their parents are to be notified timeously to ensure queries and disputes are dealt with before the upcoming Friday detention. Pupils are to be notified on Tuesdays. The final time for queries to be dealt with is 12h00 on the Friday of the detention.
- The HOD and the teacher on duty will meet pupils in front of the Head's office to report for detention.
- Pupils are to meet promptly at 12h30 in the allocated detention venue.
- Pupils are to line up in an orderly fashion and wait their turn to sign the detention list.
- If a pupil arrives late for detention, a penalty of -2 must be awarded.
- No excuses will be accepted for late arrival.
- There will be no talking or communication among the pupils themselves.
- Pupils will not be allowed to eat lunch or drink any beverages during the detention period.
- A 5-minute bathroom break will be allowed after 45 minutes with a maximum of two breaks during a 1 ½ hour detention period and pupils may drink water during this time.
- The detention must start in a classroom and each pupil must be given a behaviour reflection sheet. This allows the pupil to write down the transgressions in behaviour and what they learnt from their choices.
- The reflection sheets are handed to the teacher on detention duty who must give these to the Grade Coordinators, who give this to the register teachers so that discussions are held with the pupils.
- Special Saturday detentions are at the discretion of the Head.
- At the end of the detention period, pupils will greet the relevant people on duty and thank them for their time and effort to help mend their ways.

17. DISCIPLINE

All discipline policies, practices and procedures will apply when a pupil is representing the school in any way on campus, off campus or on tour. Various forms of informal and formal disciplinary measures may be initiated by the school.

The severity of the action taken by the school will depend on the circumstances, the seriousness of the infringement and any mitigating or aggravating factors that are relevant.

Preparatory Policies, Practices and Procedures Booklet

The disciplinary measure or penalty applied in response to the pupil's misconduct will therefore generally require the teacher or the Head to exercise judgement in deciding on the appropriate and fair action to be taken.

Disciplinary action that may be applied by the school, in order of severity, includes, but is not limited to –

- Conversation with the teacher, the Head of Department/Grade Corodinator or the Head
- A warning or penalty (recorded)
- Detention or time punishment
- Parental contact and an interview with parents
- Suspension
- A disciplinary hearing
- Exclusion.

Discipline will, wherever feasible and effective, be applied progressively. Therefore, it is important that the teacher applies disciplinary measures appropriately and consistently. Repeated committing of a similar or related offence will result in progressively more severe action being taken, particularly where a clear pattern or trend is indicated by the pupil's continued misconduct. Penalties issued by the school will be noted on the pupil's record. When the pupil reaches certain consequences for negative behaviour, various intervention methods are implemented to try and modify this behaviour. At these intervention points, the following procedures may be used:

- Letters of concern or phone calls to parents
- Referral to counselling
- Parent interviews
- Disciplinary hearings
- Referrals to the police (in the case of incidents involving drugs or other serious offences).

The school reserves the right to deny pupils' privileges based on their behavioural records. Privileges, such as attending socials and participating in fun days, trips, sports teams, farewells, events and outings are earned, they are not a right. The school reserves the right not to re-enrol any pupil who, after having followed the various stages of the disciplinary process, makes little or no attempt to amend his/her behaviour.

PENALTIES

The penalty points given are determined by the appropriate description of the infringement on the list of penalty points. Penalties are recorded on the penalty slips. We encourage children to take responsibility for their actions and their signature on a penalty slip is evidence of such. Pupils must sign the penalty slip, or lodge a formal appeal procedure (see Appeals) immediately. In the case of an appeal, where the pupil should have signed, they write "appeal". A child has a maximum of 3 appeals per year.

Disciplinary Process

- Penalty points from 1 to 5 will be given for less serious offences.
- Penalty points from 6 to 20 will be given for more serious offences. An offender with a total of 20 penalty points will have to attend a 1 ½ -hour detention on Friday afternoon from 12h45 to 14h15.
- Attending detention will cancel the 20 penalty points. Failure to attend detention will result in the offender being given 10 penalty points, which will be added to his previous points. In other words, the pupils will have to make up the missed detention and serve an additional detention unless a valid excuse is provided timeously by the parent.
- Points will be totalled every week and pupils will be informed whether they have to attend detention on the Friday of that week. Names of pupils on detention each week will be called to the office. Parents are notified via SMS and email that their child is in detention.
- Penalty points are cancelled at the end of each term, but the record of detentions attended is continuous.

- Pupils involved in any illegal substance-related incident are liable to immediate notification of a disciplinary enquiry, pending an investigation by the school and possibly the police.
- An exclusion will be the extreme punishment for offences such as procurement, possession, use and sale of illegal substances, assault with grievous bodily harm, etc.

PENALTY POINTS ARE INDICATED ON REPORTS ISSUED

See Annexure A – PEPPS Preparatory Penalty Points

1. Infringements that are not considered serious, or do not require disciplinary action in the opinion of the pupil's teacher, can be dealt with directly by the teacher. These are not generally recorded on the pupil's record, but they may still require communication with the pupil's parents.
2. When an infringement occurs which requires disciplinary action, the teacher concerned will record the disciplinary process by completing a penalty slip or behaviour report. These documents may be supplemented by any additional information or statements to clarify or adequately detail the facts surrounding the infringement.
3. The teacher and the HOD/Grade Coordinator or the Head must investigate serious infringements and decide upon appropriate corrective measures. This assessment generally takes the form of an INFORMAL INVESTIGATION, which may include an opportunity for the pupil to "state his/her case" in response to the complaint.
4. When a pupil has been in detention three times, an interview is held with the pupil, the parent/s or guardian, and the Grade Head/Grade Coordinator and the Head. A behavioural report is prepared before this meeting. All teachers report on the pupil's behaviour in all activities in which he/she participates. Together all parties present at this interview will decide on the appropriate action to be taken.
5. After the meeting with the pupil and his/her parent/s or guardian, any subsequent detention/s will lead to a further meeting and a consideration of the appropriateness of the pupil staying at PEPPS.
6. When a serious infringement occurs or in the case of the pupil attending detention four or more times and informal disciplinary measures not having their expected effect, a notification of a formal disciplinary process is given to the parents of the pupil concerned. This notification must provide sufficient information to ensure that the pupil/parents are properly informed of the school's intention to convene a formal process to investigate the infringement and consider exclusion. In the case of all disciplinary enquiries, please note that-
 - a) the pupil's parents must be notified of the disciplinary enquiry and who will chair the enquiry at least 48 hours (two working days) before the scheduled disciplinary enquiry
 - b) the pupil may be suspended until the enquiry is conducted if this is considered appropriate bearing the alleged misconduct in mind. The suspension of the pupil should be indicated in the notification.
 - c) the pupil's parents must be advised that they are expected to attend the enquiry, as their non-attendance may prejudice their case and result in the enquiry being held in their absence, and a decision being made without their involvement.
 - d) the pupil's parents must be advised of the serious nature of the allegations, and the possibility of serious disciplinary action being taken should the pupil be found guilty of the allegations made against him/her.
 - e) legal representation at the disciplinary enquiry is not permitted.
7. The conducting of the disciplinary enquiry is of great importance and must be chaired by an objective senior school official who has not been involved in the investigation process. The enquiry chairperson will be responsible for leading and managing the enquiry process and making critical decisions as to:

- a) the guilt or innocence of the pupil relative to the allegations made;
- b) the appropriate sanction to be taken, after due consideration of mitigating and aggravating factors.

To ensure that this crucial procedure is properly and fairly conducted, all disciplinary enquiries should be conducted in such a way as to ensure that the rules of natural justice are complied with, the pupil/parent:

- must properly understand the allegations being made
- should be presented with all facts and information relating to the allegations
- must be given the opportunity to question the evidence provided and be heard by an impartial chairperson
- is entitled to present his/her own perspective and explain/defend his/her actions
- must be treated with dignity and respect throughout the enquiry
- must treat the chairperson and staff members with dignity and respect
- is to be assured of the greatest confidentiality possible
- must be offered the right to appeal against any decision made by the chairperson.

After the completion of the enquiry, any decision made (whether to impose disciplinary action or not) should be formally communicated and supported by the enquiry chairperson. This notification must include a reminder that the pupil has the right to appeal against any action decided upon, within five days of the enquiry.

NB! Copies of all documentation must be retained by the school for record and safekeeping purposes.

18. DRUGS AND ILLICIT SUBSTANCES

- Pupils in possession of or caught using tobacco, alcohol, illegal drugs, illicit substances (including hubbly bobbies, e-cigarettes, 'vapes', etc.) or any item associated with their use such as matches, lighters, cigarette papers, pipes, hookah pipes or who are under the influence of any unauthorised substance are committing an offence and will face an immediate disciplinary enquiry.
- Pupils in the company of others using alcohol, tobacco, illegal drugs or illicit substances are also committing an offence and will face disciplinary action.
- Trading, supplying or selling of any drugs, including medication such as ADD tablets or dexamphetamine, is considered a very serious offence and the police may be notified.
- Tobacco, alcohol, or other drug emblems are not permitted on any items brought to school, e.g. suitcases, pencil cases etc.

Other items not permitted at school

- Chewing gum • Weapons of any kind • Firecrackers, etc.

Search and Seizure

A search may only be conducted after taking into account all relevant factors, including the best interest of the pupils in question or any other pupil in the school; the safety and health of the pupils in question or of any other pupil at the school; reasonable evidence of illegal activity; and all relevant evidence received.

All searches will be conducted in a manner that is reasonable and proportional to the suspected illegal activity.

Prohibited goods include:

- Dangerous objects include any explosive material or device; any firearm or gas weapon; any article, object or instrument that may be employed to cause bodily harm to a person or damage to property or to render a person temporarily paralysed or unconscious; any other object similar in nature to the objects listed previously.

- Illegal drugs include any unlawful substance that has a psychological or physiological effect. Alcohol is an illegal drug on school property.
- Stolen goods are items possessed unlawfully.

No person may carry, store or allow any prohibited goods to be brought onto school premises or to any educational, cultural, recreational, sporting or social activity of the school within or outside the school premises.

The Head or a person delegated to by the Head (authorised person) may, without a warrant, search any pupil or group of pupils, or the property of a pupil or group of pupils, for any prohibited goods if a member of staff or another pupil has a reasonable suspicion that prohibited goods may be found on school premises or during a school activity. Any prohibited goods found may be seized by the authorised person.

Possession, suspected possession, use, or suspected use of prohibited goods may be brought to the attention of SANCA or the police if it is considered appropriate and may be followed up in line with the Disciplinary Code.

At the conclusion of any investigation, any prohibited goods will routinely be handed over to the South African Police Service, or a stolen item will be returned to its owner.

PEPPS may conduct urine or other non-invasive tests to test for illicit substance use. It is the duty of the pupil to disclose to PEPPS any medication that may have been taken that may affect the outcome of the test. Pupils need to provide PEPPS with a doctor's certificate after any such test, as soon as is reasonably possible, which states precisely what the nature of such medication is. These tests are necessary to ensure that all pupils at PEPPS are protected against the scourge of drugs in our society. A pupil may be subjected to disciplinary proceedings if a prohibited substance/goods are found in his or her possession or if a drug or alcohol test yields a positive result.

19. ECO-SCHOOL STATUS

PEPPS is very proud to fly the WESSA Eco-Schools Platinum Flag. With this privilege comes the responsibility to care for the environment and to be responsible citizens beyond our school. We have outreach programmes which encourage charity and leadership. We also prioritise the environment in our curriculum, our infrastructure and the behaviours we encourage. Recycling is promoted along with various opportunities to contribute toward sustainable living in an over-populated world.

Through the coordination of the Grade 7 Eco Committee, we are involved in at least one community project in the term. Activities include:

- Recycling – paper, plastic, glass and tin are collected at the school
- World Environment Day
- Arbour Day

Because of our commitment to the environment, any teacher or pupil who flies under the PEPPS name is expected to offset his/her carbon emissions by planting either a Weeping Boer Bean, Tree Wisteria or Plumbago plant on the school property.

20. ELECTRONIC ACCESS

Access to computer facilities and the internet is provided to pupils at PEPPS Polokwane Preparatory School and College as tools to increase their overall efficiency and effectiveness in the performance of their academic studies.

School-related uses of the internet include accessing external databases, libraries, newspapers, newsletters, magazines, bulletin boards or encyclopaedias to obtain reference information or conduct research. Pupils

Preparatory Policies, Practices and Procedures Booklet

- PEPPS has the right to inspect any data that is stored digitally on its networks such as data stored in folders or e-mails.
- Unless specifically authorised, pupils may not modify files, data or passwords, access and read messages and files intended for or saved by other persons without their permission. Pupils may not misrepresent other pupils on any network.

- The unauthorised use of the school's facilities, internet and electronic messaging systems for purposes of "hacking" (i.e. intruding on the privacy of an individual or organisation) or "cracking" (i.e. the intrusion on the privacy of an individual or organisation with the aim of performing changes malicious or otherwise) is a violation of school policy and will be grounds for dismissal.
- Pupils may not use the computer, e-mails or the internet facilities in such a manner as to disrupt the use of PEPPS' network by others.
- Pupils should never download or install any software onto network drives unless permitted by the Head or the IT Administrator.
- Copyright violation is a serious legal matter. Pupils must ensure that any software that they have used within PEPPS is authorised.
- All downloaded images and texts that do not have copyright must be properly referenced and never presented as a pupil's own work.
- Pupils are responsible for the integrity of their passwords and log-on security and are held responsible for any transaction undertaken under the log-on. All pupils are entitled to privacy in their work and therefore it is an offence to use or attempt to use another pupil's account/password no matter what the circumstances may be.

- No pupil may bring onto the school property any data and/or media that are offensive or illegal.

21. EVACUATION

Evacuation drills for threats, fire and bombs are conducted regularly to ensure the safety of our pupils.

22. EXAMINATIONS

Grade 4–7 pupils write examinations twice a year, in June and in November. They write early in the morning and undergo independent study and a formalised revision lesson after the exam. Each exam session is one weeklong and covers subjects like English, Afrikaans/Sepedi FAL, Mathematics, Social Sciences and Natural Sciences. Grade 4–7 pupils are obligated to stay at school to study. The Academic Top 15 in Grade 4–7 (Top 15 is based on any child in the Top 15 of the grade who has achieved an average of 75% and above) have the privilege of leaving after a morning session exam and may wear civvies for exam week. Top 15 may leave after writing the exam paper only if they do not have practice for school team responsibilities.

If a child is absent:

1. Register teacher please inform your HOD and email parent requesting a doctor's certificate.
2. The pupil will write the exam on the next available day during the study session after writing that day's exam.

If the child is off for a longer period, the decision will be made in a case-by-case discretionary manner.

Exam regulations

- Teachers and pupils must arrive promptly at the exam venue. Pupils who arrive late without good reason will receive penalty points.
- Pupils must remain in their seats whilst in the exam room. Walking around or discussing work is not permitted. Pupils may not request permission to study in the library during this time.

24. HIV/AIDS

PEPPS does not discriminate against any member of our community based on HIV status. Pupils and staff are trained to handle all bodily fluids with latex gloves. If anyone is bleeding during a sporting activity, he/she will be asked to leave the field.

25. INDEPENDENT LEARNING

The Preparatory School has adopted a No Homework Policy in all subjects except English and Mathematics for Grade 4-6 pupils. Reading and spelling will be sent home along with Mathematics homework in Grade 1-3. Spelling words and Mathematics homework will be issued to Grade 4-7 pupils. In all subjects, any incomplete class work must be completed at home before the next lesson. Failure to do so will result in the issue of penalty points.

The homework programme shall vary according to the age and grade level of pupils. The amount of time and the rigours of homework should increase as children get older. Consequently, the purposes and guidelines that regulate the homework programme differ at different stages throughout the school. PEPPS Preparatory School has adopted an Independent Learning Strategy. The Grade 7 pupils may be given additional homework in other subjects as a way to build up independence and stamina as they move towards the College level. Homework should be issued within reason, taking into account demands on their time, e.g. sports days, test days etc.

There are many benefits to independent learning:

1. Develops self-motivation and self-discipline;
2. Develops life skills such as time management;
3. Allows for practice, where it is needed, of skills learned in the classroom;
4. More rapid individual progress is to be made.

Our Independent Learning Strategy takes various forms:

1. Holiday Extra Credit Activities. Children are supplied with various activities to complete in the April, June and October school holidays. When these activities are completed, pupils accumulate extra credit points which can result in medals at prize-giving.
2. Genius Hour Programme. The Intermediate Phase programme is run annually in the final week of the third term. Pupils are allowed the freedom to learn whatever they wish in accordance with their interests. They ask and answer questions and they create something which is then presented to their peers. The Foundation Phase pupils all participate in a Genius Hour week in the final week of each term.
3. General Academics: Teachers inform pupils in class-time of independent learning expectations and, where practical, upload work onto Google Classroom.

Pupils and parents have free access to Google Classroom and are encouraged to use it to assist in staying up to date and completing independent work. Pupils are also encouraged to keep their own homework diary. Due dates for assignments should also be written in the diary. An annual test period schedule is issued at the start of each term along with exam timetables. Additional contact time may be booked with a teacher if a pupil is confused. Pupils must prepare specific questions for these additional contact time sessions.

26. LABORATORY USE

The school does not have a laboratory. When experiments are performed in classrooms, the classroom will serve as a laboratory and must be treated as such. Laboratories can be dangerous areas in schools, for this reason, strict discipline needs to be followed at all times. Pupils must co-operate with the teacher. Pupils may not be unsupervised. No unauthorised experiments may be conducted. Desks must be kept free of clutter, all chemicals must be safely stored and the gas supply must be off when it is not in active use.

Pupils need to wear lab coats and safety goggles. Shoes must be closed and no loose items should be worn. All long hair needs to be tied back. Gloves should be worn when using chemicals that irritate or can be absorbed through the skin. Pupils should be made aware of the dangers involved and the precautions that should be taken before pupils handle hazardous chemicals and hazardous chemical reactions.

Any injury or breakage needs to be reported to the teacher in charge immediately.

27. LEADERSHIP

LEADERS

Leadership development in primary school lays a foundation for lifelong skills by empowering young learners to grow into responsible and confident individuals. At the heart of our leadership programme are the school's core values: Trustworthiness, Accountability, Kindness, Discipline, and Teamwork, all united under the overarching principle of Respect.

The journey begins in Grade 6 where pupils attend a leadership tour in Term 3. Our Grade 6 pupils begin to do leadership duties in their final term of the year, under the guidance of our staff and Grade 7 Leadership Committee. The Grade 6s also attend a Leadership Orientation Workshop towards the end of the school year.

All Grade 7 pupils undertake the responsibility as leaders. Their year of service commences at the start of their Grade 7 year. Each Grade 7 pupil joins a committee on which they will serve until the end of the fourth term in their Grade 7 year.

Pupils in the Grade 7 leadership programme engage with a structured curriculum inspired by *The 7 Habits of Highly Effective Teenagers* by Sean Covey. This book emphasizes key principles such as being proactive, setting personal goals (beginning with the end in mind), prioritizing effectively (putting first things first), embracing a win-win mindset, seeking to understand others before being understood, fostering teamwork through synergy, and maintaining personal well-being. These habits are not only practical tools but also align closely with the values the school upholds, ensuring that students develop both character and competence as they grow into leaders who can positively impact their communities.

The Grade 7 Leadership Committees are as follows:

Culture Committee	responsible to serve the cultural aspects of the school
Sport Committee	responsible to serve the sporting aspects of the school
Leadership Committee	assists with the maintenance of school discipline
Eco Committee	raises environmental awareness and serves on the school's Eco Committee.
Spirit Committee	responsible to develop good school spirit
Service Committee	responsible to maintain healthy relationships among pupils
Media Committee	responsible for promoting and recording school events

After the second term of service, each committee elects two Committee Leaders and two overall Committee Heads. These pupils carry more responsibility. These elected leaders are announced at assembly but may be delayed by the decision of the Head.

A mentor teacher runs each leadership committee, and Grade 7s receive a weekly leadership development programme.

The committees were established to create opportunities for leadership and management. General responsibilities of the committees are

Sport Committee	Culture Committee	Spirit Committee	Media Committee	Eco Committee:	Service Committee
Assembly and line-up duty	Assembly and line-up duty	Assembly and line-up duty	Assembly and line-up duty	Assembly and line-up duty	Assembly and line-up duty, microphone set up

Leadership Committee – elected leaders of committees will take on more responsibilities to drive their committee initiatives. Information Evenings, Parents Consultations, etc.

28. LIBRARY

The school library has a wide selection of fiction and non-fiction books and pupils are encouraged to make use of this facility. The library is open every break and every Monday-Thursday afternoon from 14h00–15h00. Printing and photocopying may be done in the library at a nominal cost. Late return of books borrowed from the library incurs a fine payable to the librarian. Damaged and lost books will need to be paid for at the library.

A Foundation Phase library has been established. All Grade 3 pupils are able to take books out. A media lesson takes place once per cycle for each class.

29. MERIT SYSTEM

It is expected that members of the school community will show:

- Care** for others and for the school environment
- Respect** for others and their property and

- Courtesy** for school rules
by acknowledging others,
by speaking politely and
by using good manners.
- Responsibility** by being well presented,
by being punctual and by doing their
best.

At PEPPS we respect God by doing the following

- Respect yourself. No matter the circumstances, always be honest. If you win, do not brag; if you lose, do not show anger. Congratulate others on their successes.
- Respect other pupils by valuing their comments and ideas. Do not bully and if anyone is bullying you, report it. If you observe someone bullying another person, report it.
- Respect all others by having good manners. Always say thank you when given something. Greet all people at the school and make them feel welcome. Make eye contact when engaging with others. When returning from a trip, shake the hand of every chaperone. Respect the formality of assemblies. Boys should stand aside for girls to enter or exit a room and all pupils should stand aside for a teacher, parent or visitor. If you are seated and a senior pupil, teacher, parent or visitor enters the room and does not have a place to sit, offer them your seat.
- Speak English in order to avoid excluding others from your conversation.
- Recognising the privilege of our beautiful grounds and buildings and keeping them clean.

Positive behaviour and achievements are rewarded with merit points. The merit points awarded are determined by the appropriate description of the achievement on the list of merit points. The teacher must fill in a merit slip, recording all the necessary information.

Merit certificates are awarded at prize-giving and acknowledge the accumulation of 700 merit points.

See Annexure B – PEPPS Preparatory Merit Points

30. PARENT CONSULTATIONS Grade 4–7

Parent consultations are held three times a year, at the start of the second and third terms and at the beginning of November the Parent Consultation is for invited parents of at risk pupils. Parents are encouraged to set up an appointment with a teacher or the Grade Head through the school secretary, should they have any worries or concerns that cannot be addressed at parent consultations.

31. PEPPS PARLIAMENT

The PEPPS Parliament was established to act as a representative platform for the pupils. Representatives are elected by their peers. Two members are elected per class for six months. Meetings are held once a month and are chaired by the Head and by the Head of the Leadership Committee. Before each meeting, representatives are required to meet with their classes and discuss any matters that they wish to be put before Parliament.

All members have an equal say and matters are discussed democratically. Minutes are taken in each meeting and a report back is given regarding issues raised at previous meetings. After meetings, members are required to give feedback to their classes.

Parliament assemblies are held once a term where Parliamentary matters are raised in front of the school. Parliamentarians are expected to present both commendations and concerns about the school to the assembly. Any concerns must be accompanied by a suggestion.

A Parliament member who is put in detention will be asked to step down, and the class will have no representation in Parliament for the remainder of that term.

32. PLAGIARISM

Plagiarism is the “failure to acknowledge the ideas or writing of another” or “presentation of the ideas or writing of another as one’s own” and should be read to cover intentional and unintentional failure to acknowledge the ideas of others. In this context “others” means any other person including a pupil, academic, professional, published author or other resources such as the internet. The College believes that failing to acknowledge the use of the ideas of others constitutes an important breach of the values upheld within the school. The school uses software as a tool to help verify the originality of the work submitted.

Any work submitted by a pupil must be correctly referenced. If a teacher suspects that sections of work submitted are not the pupil's own and the work is not referenced, 10 penalty points will be given. The pupils will be given an opportunity to re-submit in two days. Habitual plagiarism will be dealt with in line with the Code of Conduct and may result in exclusion from PEPPS.

33. PRIZE-GIVING AND AWARDS

Prize-giving is held towards the end of November. There is a Sports and Culture Gala Evening event and a Leadership and Academics Gala Evening event. These gala evenings are reserved for top achievers in their respective fields including trophy winners, top Grade 7 leaders and the announcement of new library prefects. A prize-giving assembly is also held to hand out all of the certificates for extra-curricular activities and additional academic certificates.

Subject prizes are awarded for best overall achievement in the grade (these pupils will receive a gift voucher) and up to 8 certificates per grade per subject are given out.

The Awards Committee consists of the Head, the Heads of Departments and relevant academic and extra-curricular staff. This committee will consider nominations for all awards.

Every effort is made to be objective and transparent in the criteria for awards. With the proliferation of the availability of external competitions, all criteria that refer to external competitions will need to be recognised by the Awards Committee. Acceptance of the validity of each external organisation will be carefully considered; however, recognition will be at the discretion of the Awards Committee.

34. REPORTS AND PROGRESSION

Grade 4–7: Reports are issued at the end of the first and the second terms, in November before the final examinations and at the end of the fourth term. These reports will reflect Term 1 classwork, Term 2 classwork, mid-year examination, Term 3 and 4 classwork and final examination. Composite comments will reflect on the Term 1 Report and the Report in October/November. These comments are compiled by many teachers.

The pupil's individual mark and the grade average will always appear, as well as a year-to-date mark. The weighting of the various reports is indicated below:

Grade	Term 1	Term 2	June Examination	Term 3&4	November Examination
4–6	20%	20%	15%	20%	25%
7	15%	15%	25%	15%	30%

In order to progress to the next grade at PEPPS, a pupil must achieve a cumulative year-end result over 50% for English, over 45% for Mathematics and may not achieve less than the required mark in more than two of the following subjects:

40% NS 40% SS 40% FAL 60% CT.

Results lower than this do not allow a pupil to start the next year with a solidly foundation for further study. A pupil may only be condoned once per phase.

35. RIGHTS AND RESPONSIBILITIES

<p>Pupils have the right to:</p> <ul style="list-style-type: none"> • be treated with courtesy and respect • work in a clean, safe environment • learn without disruption • achieve their potential • have their property respected • be proud of their achievements 	<p>Pupils have the responsibility to:</p> <ul style="list-style-type: none"> • know and comply with school rules and procedures • follow teachers' reasonable instructions • treat others with courtesy and respect • contribute to a clean, safe environment • ensure there is no disruption to the learning environment • respect the property of others • participate fully in their educational programme including extra-curricular activities. • ensure their actions do not discredit the school.

36. SICKBAY

The sickbay is located in the school administration office. Pupils who wish to leave class to go to the sickbay must be given a sick note by the teacher whose class they are attending at that time. If it is break, one of the break duty teachers must write a note for a pupil to go to the sickbay. This note is given to the sickbay clerk when the pupil reaches the sickbay. The sickbay clerk must sign the note before the pupil returns to the classroom.

No pupil is allowed to phone his/her parents to come and fetch him/her from school when feeling unwell unless he/she has reported to sickbay first. A child attending school with medication must hand over their medication to the sickbay to administer. This should be accompanied by a letter from the parents that include instructions.

37. SEARCH AND SEIZURE

A search may only be conducted after taking into account all relevant factors, including the best interest of the pupils in question or any other pupil in the school; the safety and health of the pupils in question or of any other pupil at the school; reasonable evidence of illegal activity; and all relevant evidence received.

All searches will be conducted in a manner that is reasonable and proportional to the suspected illegal activity.

Prohibited goods include:

- Dangerous objects include any explosive material or device; any firearm or gas weapon; any article, object or instrument that may be employed to cause bodily harm to a person or damage to property or to render a person temporarily paralysed or unconscious; any other object similar in nature to the objects listed previously.
- Illegal drugs include any unlawful substance that has a psychological or physiological effect. Alcohol is an illegal drug on the school property.
- Stolen goods are items possessed unlawfully.

No person may carry, store or allow any prohibited goods to be brought onto school premises or to any educational, cultural, recreational, sporting or social activity of the school within or outside the school premises.

The Head or a person delegated to by the Head (authorised person) may, without a warrant, search any pupil or group of pupils, or the property of a pupil or group of pupils, for any prohibited goods if a member of staff or another pupil has a reasonable suspicion that prohibited goods may be found on school premises or during a school activity. Any prohibited goods found may be seized by the authorised person.

Possession, suspected possession, use, or suspected use of prohibited goods may be brought to the attention of SANCA or the police if it is considered appropriate and may be followed up in line with the Disciplinary Code.

At the conclusion of any investigation, any prohibited goods will routinely be handed over to the South African Police Service, or a stolen item will be returned to its owner.

PEPPS may conduct urine or other non-invasive tests to test for alcohol and/or drug use. It is the duty of the pupil to disclose to PEPPS any medication that may have been taken that may affect the outcome of the test. Pupils need to provide PEPPS with a doctor's certificate after any such test, as soon as is reasonably possible, which states precisely what the nature of such medication is. These tests are necessary to ensure that all pupils at PEPPS are protected against the scourge of drugs in our society. A pupil may be subjected to disciplinary proceedings if a prohibited good is found in his or her possession or if a drug or alcohol test yields a positive result.

39. TOURS

The Grade 6 and 7 tours make up an important part of our holistic curriculum at PEPPS. It is expected that all Grade 6 and 7 pupils attend.

Any pupils who do not attend tours for any reason will be expected to attend school during normal hours for the duration of the tour.

- All discipline policies, practices and procedures apply while pupils are on tour.
- No food or drink may be taken on the tour. Water may be taken on the bus.
- Parents have a responsibility to check the luggage of their children before they depart and to ensure that their children understand the risks and consequences of prohibited behaviour. Staff may also search all luggage before the tour and at any time during the tour.
- Any required medication must be clearly marked with the pupil's name and described and given to the tour coordinator.
- It must also be understood that pupils carry a duty of care to each other and must report any information or incidents, before or during tours, which may cause danger or harm to others.
- Any serious infringement of this code or the Policies, Practices and Procedures included in this document will result in a pupil being expelled from the tour. Parents will be asked to collect their children immediately from the tour. Failing this, the pupil will be returned home at a cost to the parents, via a mode of transport that is most convenient for the tour organisers.
- The school and staff will endeavour to care for pupils responsibly. However, PEPPS will not be held responsible for incidents which occur outside of the given parameters.
- Boys/Girls may not enter the rooms of pupils of the opposite sex. Any infringement will result in immediate expulsion from the tour. No socialising may take place in bedrooms/dorms.
- Pupils should never go anywhere alone. If it is necessary for pupils to separate from the rest of the group, permission must be obtained from the teacher.
- Rooms must be neat. Beds must be made, clothes packed away and all litter discarded daily.
- Pupils take full responsibility for the safety and care of their possessions.
- Pupils may not take cell phones or electronic devices on tour. Tour organisers will communicate and update parents via email and broadcast messages daily. In the case of emergencies, parents will be contacted directly.
- A poor discipline record may result in a pupil being excluded from any of the tours offered.
