30 Years of PEPPS in Limpopo

The Project for the Establishment of Primary and Pre-Primary Schools (PEPPS) has its origins in apartheid South Africa. The mandate of the Trust was to bring excellent education to previously disadvantaged communities at an affordable price as possible.

PEPPS does not offer boarding facilities but rather tries to establish schools within the communities that we serve. The initial intention was to offer an education that contrasted completely from apartheid-era education by encouraging pupils to be critical and creative thinkers rather than rote learners. It was decided to empower the pupils by teaching in English and prioritising mathematical skills.

Two schools, PEPPS Motheong and PEPPS Edendale, were established in the late 80s in Pretoria. In Pietersburg, a group called the Pietersburg Private School Committee (PPSC) was formed with the hope of establishing a non-racial excellent independent school in then Pietersburg. That group heard about the PEPPS Trust in Pretoria and requested to establish a school under their banner.

PEPPS started to grow in Limpopo, establishing a number of pre-schools. Over time only PEPPS Mokopane, PEPPS Modjadjiskloof and PEPPS Ga-Ledwaba went on to open preparatory schools and PEPPS Polokwane opened a college, which wrote the IEB Examinations, in 1996. Sadly, PEPPS Modjadjiskloof has closed down. In 1991, PEPPS started in Koppiesfontein with a tiny staff and big dreams. In 1992, the school moved to the current campus in Mygenoegen and now operates as PEPPS Polokwane.

The beginnings of the school were humble, yet it has rapidly grown into one of the best independent schools in the Limpopo Province, boasting a habitual 100% Matric Pass Rate and over 80% bachelor's degree Pass rate.

College Policies, Practices and Procedure Booklet

The Polokwane campus was headed by Mrs Carol Melville until 2010. She was succeeded by Mrs Leigh Melville and Mrs Julia Werner. It was pleasing to see racial diversity among the pupil body of Polokwane. In 2018, PEPPS Polokwane acquired another 8 hectares of land which has enabled the school to expand further and serve more pupils.

PEPPS Mokopane was headed by Mrs Charmain Geldenhuys from 1993-2002. Mrs Grace Meta took the reins for 2003, after which Mrs Annette van Wyk headed the school from 2004 until 2019 and she laid down a solid foundation of reputable teaching for the Mahwelereng community.

The long-established Lebowakgomo pre-school received land from the Ndlovu-Ledwaba Tribal Authority and started developing a preparatory school campus in 2016 under the leadership of Mrs Mokgadi Rabalao.

PEPPS will be opening a college in Mokopane in 2022 and would like to open a college in Ga-Ledwaba in the foreseeable future. The Board is exploring the option of opening a new campus serving the Ba-Mothapo community near Mankweng.

Mr Patrick Hamilton, then Headmaster of Waterkloof House Preparatory School, was the pioneer who initially started these three PEPPS Schools. Advocate Dikgang Moseneke was the first Board Chairman in 1991, followed by Mrs Dora Nkamana in 1992. Mr Chwano Setloane became the Chairman of the Board, serving until 2000. PEPPS's reputation for excellence became well appreciated in Limpopo and most of the schools established thrived. Dr Arthur Ledwaba was a member of the founding Committee and has subsequently served as the Chairman of the Board since 2000. Along with a reliable and dedicated Board of Trustees, he has seen PEPPS continue to grow and set young people up to be leaders of the future.

As a non-profit company, PEPPS welcomes both corporate and individual donations to assist us in serving more South African pupils close to their homes and can issue Donation Tax Certificates. Our track record is proven, and all monies collected from donations and through school fees are used exclusively for the betterment and expansion of our educational offering.

Pupils are expected to arrive at these additional contact time sessions fully prepared with specific questions. Pupils who do not meaningfully engage in class time lessons may be denied extra time by their teacher.

If a pupil does not achieve 50% at the end of a term, they will be required to attend extra Mathematics classes during the next term.

Genius Hour Projects

In Grade 10 and 11 pupils may participate in voluntary independent learning and submit 2 Genius Hour Projects per year. The topic is ANYTHING that interests them. The focus is on independent and critical thinking. The best participant will be awarded a trophy at Prize-giving. Merits will be awarded for projects.

2. AFTER SCHOOL SUPERVISION

At PEPPS pupils are encouraged to make full use of their time. If a pupil is on campus after school, they may participate in one of the many formal activities offered, support teams that are playing competitive fixtures or go to the homework supervision classroom. Homework supervision continues until 15h45 daily. Pupils caught loitering around the campus may receive penalty points. Pupils are expected to do one extra-curricular per term.

3. APPEALS

PEPPS College always aims to provide pupils with the highest quality learning and teaching experience. However, we recognise that from time to time, problems might arise which need to be dealt with if our normal high standards are to be maintained. The Appeals Procedure enables matters of concern to be brought to our attention so that they can be investigated and resolved. Disputed decisions may relate to results in individual assessments, the attainment of group awards or progression either within an assessment or to a more advanced level of study. Penalty points given may also be presented for appeal.

A pupil may lodge a maximum of 3 unsuccessful appeals in a year.

Stage 1 – The Informal Stage

The College believes that problems (e.g. insufficient assessments done during the term, assessments not returned, pupil moderation not taking place, unfair giving of penalty points) are best dealt with quickly and informally with the member of staff concerned.

Pupils should not feel anxious about raising a concern with a member of staff. All requests for discussion/clarification of a decision are to be taken seriously and no pupil shall suffer any disadvantage or recrimination as a result of making such a request respectfully. Many issues arise from misunderstandings which can often be resolved quickly and easily by talking through the matter.

Stage 2 – The Formal Stage

At times there may be issues that cannot be resolved through discussion with the teacher directly involved. In these circumstances, the formal appeal procedure must be used.

The Formal Stage A

A formal appeal should be submitted on an Appeal Form, available from a HOD. Completed forms should be returned to the subject HOD (academic matters) or grade HOD (discipline matters), stating in full the reason for disputing the decision in question. If a pupil has any difficulty completing the Appeal Form, advice and assistance are available from the HOD. Applications should be made within 2 days/48 hours of a pupil's informal discussion with the member of staff.

The Formal Stage B

Within 2 days, the HOD will convene a meeting. The pupil will be notified of the date, time and venue of the meeting and will be invited to attend to make his/her appeal directly to the HOD and Head. The pupil is welcome to be accompanied by his/her parents. Feedback will be given within 2 days.

The Formal Stage C

Within 2 days of the meeting, the pupil will be notified in writing of whether or not his/her appeal has been upheld and will also be informed what action will be taken to resolve the situation.

Stage 3 – Further Appeal

Should a pupil still feel aggrieved an appeal, following the above procedure, may be presented to the head and ultimately, if necessary, the Executive Head.

4. ASSEMBLY

Assembly is held once a week. A Bible reading and lesson are presented and thereafter notices, awards, etc. are given. Any announcements to be made in assembly must be given to the person conducting assembly (either the Head or HOD) by Wednesday of that week. Pupils wear formal uniform and blazers to

College Policies, Practices and Procedure Booklet

assembly. Uniform is checked as pupils leave the assembly. Praise and Worship happens once a term. Prefects lead an assembly once a month. Parliament Assemblies take place once a term.

5. ASSESSMENT

A minimum of three different forms of assessment must be used per subject each term. The forms of assessment must meet the requirements as laid down in the Subject Assessment Guideline Documents for each subject in Grades 10-12. Peer assessment forms part of the formative assessment process. Subjects with practical components (CAT, Life Sciences, Geography, EGD, Information Technology, Languages, Music, Physical Science and Visual Art) should aim for one practical activity per term.

Grade 12s must submit a portfolio to the IEB. This is kept by the teacher. Grade 12 portfolios must be finalised before the start of the Preliminary Exams.

Grade 8 – 12 pupils write Group Tests during the formal Assessment periods on Mondays and Wednesdays. An Assessment schedule is compiled at the start of the term for each grade.

Grade 8-9 pupils will be assessed on one project every 15 school days. These projects will be selected by the pupils at the start of the 15 days. They will be completed predominantly during school time and mentored by a teacher.

Examinations for Grade 8 – 11 are written twice a year, in June and November. Examinations for Grade 12 are written three times a year, in June, August-September (Preliminary Examinations) and October – November (Final IEB Examinations).

6. ATTENDANCE

School starts at 07h20 each day and ends at 14h00 on Monday to Thursday and 12h30 on Friday. The timetable works on a six-day cycle system.

It is required of all pupils who are absent from school to email the school (absentplk@pepps.co.za) on the day of absence or bring a note of explanation for their absence from a parent, guardian or doctor on the day they return to school. The register teacher must send this note to the office to be kept in the pupil's file. If a group test or examination are missed, a doctor's certificate is expected.

If a pupil is absent for a group test, they must ensure that their register teacher and subject teacher see the doctor's certificate. The doctor's certificate along with a copy of the test will be given to the teacher on duty on Friday as soon as possible. The test will then be written from 12h45-13h45 on the first Friday afternoon after the pupil is back at school. A letter from a parent is only permitted for one missed Group Test. If a pupil does not arrive to write the test on the first Friday after they are back at school, they forfeit the opportunity to write the test and will be given 0%. Parents must please email the school on (absentplk@pepps.co.za)

Registration is compulsory for all pupils and begins at 07h20. Pupils who are late for school must report first to the admin office, to receive a late note, their register teacher will then change the absent on the register to a late arrival. The names of pupils who are late are recorded by an admin staff member at the gate and 2 penalty points are given for late arrival (without a valid reason).

If a pupil needs to leave school early, they must report to the office and receive a note to hand to security, before leaving the school property.

PEPPS has a number of compulsory Saturday events (e.g. Winter Sports Day and other ad hoc activities) which contribute towards our holistic curriculum program. A doctor's certificate must be provided if one of these Saturdays are missed.

7. BOOKS

TEXTBOOKS

Textbooks are purchased by the school and loaned to pupils. Such books will be labelled with a specific identification barcode. Textbooks are distributed to the pupils and the condition of the textbook will be noted.

Pupils are expected to write their names into the books and look after the books throughout the year. Pupils are given one week to cover each textbook and exercise book that they receive in paper and thick plastic. Pupils who cover their exercise books in the required time are awarded 3 merit points per subject. After a week has elapsed pupils may, for the period of a week, be given 3 penalty points per day that the books remain uncovered. The teacher should at this time contact the parents of the child and communicate that the books will only be returned to the pupil when paper and plastic are brought to school and the books are covered in the presence of the teacher.

Pupils will pay for the replacement of lost or damaged books, subject to fair "wear and tear".

WORKBOOKS AND SET-WORK BOOKS

Workbooks, long-term reference books and language set-work books will be ordered and supplied by the school.

EXERCISE BOOKS

Exercise books are supplied to the pupils by the school at the start of the year. Pupil's work must conform to the following standards:

- Dates and headings must be used and underlined
- A line must be ruled after each day's work
- Worksheets must be pasted in
- Space must not be wasted
- Work must be marked and corrected in pencil
- Work must be up-to-date
- Diagrams must be neat and labelled correctly
- For most work in Mathematics, the page must be divided into two columns.
- In Accounting, work is done in pencil and corrected in pen.

8. BREAK

Teachers and prefects monitor the grounds during break. During break pupils may not go into any area beyond the tennis courts or swimming pool or any area close to the Prep School classes. Pupils are permitted to play on the all-purpose courts during break but must remove their school shoes or wear takkies. Pupils are expected to ensure that litter is placed in the rubbish bins after break. Electronic devices may not be used at break without the express permission of a teacher. PEPPS encourages face to face socialisation during break.

9. BULLYING

PEPPS does not tolerate bullying in any form and all members of the school community are committed to promoting a safe, caring environment. In order to prevent bullying:

School staff are expected to:

- Report all cases of bullying and deal with them swiftly and decisively, while being mindful of the sensitive nature of such incidents
- Adequately supervise school activities
- Arrive at class on time and move promptly between lessons
- Be role models in word and action
- Educate pupils and parents about bullying
- Be observant of signs of distress or suspected incidents of bullying
- Help victims of bullying and ensure that they are not placed at further risk
- Repeated offences will be treated as gross misconduct in accordance with the school's disciplinary

procedure and could render the pupil to disciplinary procedures.

Pupils are expected to:

- Refuse to be involved in any bullying situations and distance themselves from all possible incidents of bullying
- Report any incident or suspected incident of bullying to a staff member, prefect or mentor. An anonymous letter can be handed in at the office for the attention of the Head.

Parents and Guardians are expected to:

- Strongly discourage their children from bullying and support the school in disciplining and counselling a child of theirs who is found to be bullying.
- Seek professional help for their child if this is deemed beneficial.
- Watch for any signs of unhappiness in the child's life.
- Take an interest in the child's social life.
- Inform the school if there is any suspicion that the child is being bullied.
- Refrain from telling their child to retaliate.
- Seek to address the situation if their child is found to have abused another pupil.

What can be bullying?

As per section 9 of the South African Constitution, "Everyone has the right to have their dignity respected and protected".

Any discrimination on the basis of race, gender, pregnancy, marital status, ethnic or social origin, colour, sexual orientation, age, disability, religion, conscience, belief, culture, language or birth is unacceptable. Bullying is premeditated and repetitive in nature.

"Mean" letters or electronic messages, name-calling, mean teasing, harassing, making fun of, mocking, irritating, annoying, pushing, grabbing, shoving, poking, tripping, kicking, taking property, damaging property, excluding behaviour, spreading rumours, play fighting, any form of physical or psychological bullying.

If the other person is feeling hurt or offended by your behaviour, it is bullying, so stop doing it.

What will happen if there is bullying behaviour?

1st Time Offender – 10 penalties

An interview is held with the HOD. The bullying is discussed. Offender writes a letter of apology stating what he/she did and how his/her actions hurt the other person, as well as what they would do differently in future. The letter is shown to the HOD who will make a copy of the letter before it is given to the bullied person. The letter will be sent home to the offender's parents to be signed and returned the next day. The letter is filed.

2nd Time Offender - 20 penalties

Parents are called into the school. A Behavioural Hearing is held with the offender, his/her parents and the HOD/Grade Coordinator/Head of the College. Based on the outcome of this hearing counselling may be recommended.

3rd Time Offender - Disciplinary Hearing with a possibility of exclusion

10. BUS TRANSPORT SERVICE

A bus service to Bendor, Flora Park and Fauna Park are offered on a first come first serve basis. If school fee accounts are in arrears, pupils will not be permitted to enjoy the convenience of the bus service. The service is offered at the pupils' own risk and it is charged for separately. All PEPPS school rules do apply on the PEPPS bus.

11. CELL PHONES AND ELECTRONIC DEVICES

PEPPS College uses laptops (preferred) or tablets as an essential tool in digitally integrated lessons. It is necessary for all pupils to have a laptop or tablet. Laptops are recommended; however, tablets are sufficient. Cell phones and other electronic devices are brought to school entirely at the pupil's own risk.

Cellphones may NOT be used at school between 07h00-14h00 (Mondays-Thursdays) and 07h00-12h30 (Fridays)

If a teacher suspects that a pupil has been using his/her phone during a lesson and the pupil denies this allegation, the teacher may request that the pupil is searched. The pupil must be searched in the presence of a second staff member and by a staff member of the same gender as the pupil. Teachers may also request to see the recent activity on the phone. Any social media activity is not allowed during school time or break time.

Smart watches may not be worn during test period or worn during exams.

Speakers may not be used at school, on the bus or at school events. Speakers that are used without the express permission of a teacher will be confiscated.

Social Media

Social media activity is not allowed during school time or break time. There may be no social media account in the school's name, without an active member of the PEPPS teaching staff in the group. This includes any WhatsApp groups amongst students and classes.

12. CLASSROOMS

Classrooms are aesthetically pleasing and pupil centred. Good ventilation is important. The following items should be available in all classrooms:

- The School Motto
 - The School Vision and Mission Statement
 - The PEPPS Essential 15
 - Merit and penalty point lists
 - A subject term and assessment planning sheet
 - An extra contact time booking sheet
 - A white paper recycling container
 - Leadership words
-
- The pupils are expected to enter the classroom in an orderly manner and stand behind their chairs. The teacher will greet the class before they are seated.
 - Pupils' desks must be arranged in such a way that the teacher can move easily around the classroom and can work with each pupil individually. Pupils are not allowed to rearrange desks in the classroom or to change their seats without the permission of the teacher. No graffiti or scratching on desks is allowed.
 - Whilst the teacher is teaching there should be no talking, all pupils must remain seated (unless not necessary), and pupils should be focused on the teacher. If this does not occur, the lesson should be stopped, and the pupils' behaviour should be corrected. It is important that no pupil deprives other pupils of the opportunity to learn.
 - Teachers must encourage a secure environment in which pupils can participate freely. The attitude of mocking those who participate, or laughing at the answers of others will be disciplined immediately. In the same vein, teachers should not use sarcasm, mockery or victimize the pupils in any way.
 - Although an environment conducive to participation is encouraged, it must be controlled. Pupils may not shout out answers. Answers must be offered by individual pupils whom teachers acknowledge by name. When pupils are required to proceed with work individually, this must occur. Quiet discussion of the work is allowed, but this should not distract other pupils from the given task.
 - At no time are pupils to be given permission to eat in the classroom. Teachers should also not eat in class. Class parties etc. should be held outside. Pupils are permitted to drink water from a clear bottle in class.
 - Pupils should retrieve books, water etc. from their lockers and visit the bathroom at the start of the day or during break. They should be strongly discouraged from going to their lockers or the bathroom during classes.
 - When a teacher enters another classroom, she/he should greet the class present in that room. The pupils are expected to return the greeting, but it is not necessary for them to stand. When a visitor to the school enters the classroom, it is expected that pupils stand and greet the visitor.

- Pupils are expected to move swiftly from one lesson to the next.
- Since PEPPS is an Eco-school, each classroom does have a dustbin specifically allocated to the collection of recyclable waste paper.
- A water cooler is available for the use of College pupils in the library. The water cooler may be used before registration, in between lessons, during break and at the end of the day.
- School lockers may only be accessed in the morning before school, during break and at the end of the school day.

13. COLLECTION OF PUPILS

The school is committed to punctuality, and we strive to adhere to set times in all matters. PEPPS will always endeavour to provide accurate end times of events. Pupils need to be collected within 15 minutes of the end time. Thereafter, parents are held responsible for their children. Teachers cannot be expected to care for un-collected pupils indefinitely at the expense of their own families. 15 minutes after the provided end time of an event or tour, pupils will be asked to wait with the security guard at the school gate until they are collected.

14. CONTROL OF WORK

BOOK MONITORING

It is not necessary for teachers to assess each completed piece of work. Activities and homework are not marked by the teachers. In high school pupils mark their own work. However, it is the teacher's responsibility to ensure that work is completed and corrected. Teachers must ensure that the pupils are given the correct answers to questions. Answers may be written on the board, projected onto the screen or clearly read out.

ASSESSMENTS

When a teacher does assess work, justification of the assessment reached must be provided i.e. assessment criteria are given, a rubric is provided, a memo is available, etc. Qualitative comments should also be used and give directions for possible improvement, motivate and praise, or constructively criticise. Teachers must attempt to assess and return work handed in for marking in a period no longer than 5 school days.

It is the teacher's responsibility to monitor whether the pupil's work is up-to-date and to take action when it is not. Penalty points are given when homework is not done, or work is not kept up to date. A pupil whose work is continuously incomplete must be brought to the attention of the HOD or Grade Coordinator. The HOD or Grade Coordinator will speak to the pupil and may communicate with the parents or guardians.

FAILURE TO SUBMIT AN ASSIGNMENT

If a pupil fails to submit an assignment on the due date, without a reasonable and verified explanation, 2 penalties will be issued for each school day that the assignment is overdue. After two days if the assignment is still not submitted, the teacher will email the parents, and copy the Grade Coordinator, to notify them that the pupil has not met a deadline. This form is filed in the teacher's Assessment File. The mark awarded for the work will be recorded on the assessment. The late penalty points must also be indicated, but late penalties in no way change the mark. If no task is submitted after 5 school days, no marks will be awarded for that item.

15. COUNSELLING

The latest Child Protection and Confidentiality Laws limit the support we can legally offer children. A teacher may not be alone in a classroom with a pupil with the door closed. Legally teachers may not counsel pupils – who seek guidance regarding non-school related issues – without a counselling qualification. Pupils may only request counselling from a member of staff who has a counselling qualification. A list of these teachers will be made available. Teachers with counselling qualifications may only counsel pupils for a maximum of 4 sessions. If a pupil requires further professional counselling, parents need to source a qualified professional outside of the school, for their own account.

16. DETENTION

The purpose of detention is to deter pupils from practising bad habits and to teach them to embrace good values and principles. Detention is not meant to be fun and a strict code of conduct is advised.

- Pupils and their parents are to be notified timeously to ensure queries and disputes are dealt with before the upcoming Friday detention. Pupils are to be notified on Tuesdays. The final time for queries to be dealt with is 12h00 on the Friday of the detention.
- Pupils must eat and drink before detention since they will not be allowed to eat lunch or drink any beverages during the detention period.
- HOD and teacher on duty will meet pupils in front of the main office.
- Pupils are to meet promptly in front of the main office directly after school.
- Pupils are to line up in an orderly fashion and wait their turn to sign the detention list.
- If a pupil arrives late for detention, a penalty of -5 must be awarded.
- No excuses will be accepted for late arrival eg. donating blood/meeting a teacher.
- There will be no talking or communication amongst the pupils themselves.
- A 5-minute bathroom break will be allowed after one hour with a maximum of two breaks during a three hour detention period and pupils may drink water during this time.
- Special Saturday detentions are at the discretion of the Head
- Pupils on detention need to wear a bib to distinguish them from other pupils on the property should they be doing menial tasks on the school grounds.
- At the end of the detention period, pupils will greet the relevant people on duty and thank them for their time and effort to help mend their ways.

17. DISCIPLINE

All discipline policies, practices and procedures will apply when a pupil is representing the school in any way on campus, off campus or on tour. Various forms of informal and formal disciplinary measures may be initiated by the school.

The severity of the action taken by the school will depend on the circumstances, the seriousness of the infringement and any mitigating or aggravating factors that are relevant.

The disciplinary measure or penalty applied in response to the pupil's misconduct will therefore generally require the teacher or Head to exercise judgement in deciding on the appropriate and fair action to be taken.

Disciplinary action that may be applied by the school, in order of severity, includes, but is not limited to –

- conversation with the teacher, Head of Department, Grade Coordinator or Head
- a warning or penalty (recorded)
- detention or time punishment
- parental contact and an interview with parents
- suspension
- a disciplinary hearing
- exclusion.

Discipline will, wherever feasible and effective, be applied progressively. Therefore, it is important that the teacher applies disciplinary measures appropriately and consistently. Repeated committing of a similar or related offence will result in progressively more severe action being taken; particularly where a clear pattern or trend is indicated by the pupil's continued misconduct. Penalties issued by the school will be noted on the pupil's record. When the pupil reaches certain consequences for negative behaviour, various intervention methods are implemented to try and modify this behaviour. At these intervention points, the following procedures may be used:

College Policies, Practices and Procedure Booklet

- letters of concern or phone calls to parents
- referral to counselling
- parent interviews
- disciplinary hearings
- referrals to the police (in the case of incidents involving drugs or other serious offences).

The school reserves the right to deny pupils' privileges based on their behavioural record. Privileges such as attending socials, participating in fun days, trips and outings must be earned, they are not a right. The school reserves the right not to re-enrol any pupil who, after having followed the various stages of the disciplinary process, makes little or no attempt to amend his/her behaviour.

PENALTIES

Penalties are given for the following unacceptable behaviours:

The penalty points given are determined by the appropriate description of the infringement on the list of penalty points. Penalties are recorded on the penalty slips. Pupils must sign the penalty slip or lodge a formal appeal procedure (see Appeals) immediately.

Disciplinary Process

- Penalty points from 1 to 5 will be given for less serious offences.
- Penalty points from 6 to 20 will be given for more serious offences. An offender with a total of 15 penalty points will have to attend a 3-hour detention on Friday afternoon from 12h40 to 15h40.
- Attending detention will cancel the 15 penalty points. Failure to attend detention will result in the offender being given 15 penalty points which will be added to his previous points. In other words, the pupils will have to make up the missed detention and serve an additional detention.
- Points will be totalled every week and pupils will be informed, whether they have to attend detention on the Friday of that week. Names of pupils on detention each week will be announced in assembly. Parents are notified via SMS and email that their child is in detention.
- Penalty points are cancelled at the end of each term, but the record of detentions attended is continuous.
- Pupils involved in any illegal substance-related incident are liable to an immediate notification of a Disciplinary enquiry, pending an investigation by the school and possibly the police.
- Exclusion will be the extreme punishment for offences such as procurement, possession, use and sale of illegal substances, assault with grievous bodily harm etc.

PENALTY POINTS ARE INDICATED ON REPORTS ISSUED AND ARE AVAILABLE ON ADAM.

See Annexure A – PEPPS College Penalty Points

1. Infringements that are not considered serious, or do not require disciplinary action in the opinion of the pupil's teacher, can be dealt with directly by the teacher. These are not generally recorded on the pupil's record but may still require communication with the pupil's parents.
2. When an infringement occurs which requires disciplinary action, the teacher concerned will record the disciplinary process by completing a penalty slip or Behaviour Report. These documents may be supplemented by any additional information or statements to clarify or adequately detail the facts surrounding the infringement.
3. The teacher and the HOD, Grade Coordinator or Head must investigate serious infringements and decide upon appropriate corrective measures. This assessment generally takes the form of an INFORMAL INVESTIGATION, which may include an opportunity for the pupil to "state his/her case" in response to the complaint.
4. When a pupil has been in detention three times, an interview is held with the pupil, the parent/s or guardian, and the Head. A Behavioural Report is prepared before this meeting. All teachers report on the pupil's behaviour in all activities in which he/she participates. Together all parties present at this interview will decide on the appropriate action to be taken.

5. After the meeting with the pupil and his/her parent/s or guardian, any subsequent detention/s will lead to a further meeting and a consideration of the appropriateness of the pupil staying at PEPPS.
6. When a serious infringement occurs or in the case of the pupil having been in detention five or more times and informal disciplinary measures not having their expected effect, a notification of a formal disciplinary process is given to the parents of the pupil concerned. This notification must provide sufficient information to ensure that the pupil/parents are properly informed of the school's intention to convene a formal process to investigate the infringement and consider exclusion.
In the case of all disciplinary enquiries, please note that-
 - a) the pupil's parents must be notified of the disciplinary enquiry, and who will Chair the enquiry, at least 48 hours (two working days) before the scheduled disciplinary enquiry
 - b) the pupil may be suspended until the enquiry is conducted if this is considered appropriate bearing the alleged misconduct in mind. The suspension of the pupil should be indicated in the notification.
 - c) the pupil's parents must be advised that they are expected to attend the enquiry, as their non-attendance may prejudice their case and result in the enquiry being held in their absence, and a decision being made without their involvement.
 - d) the pupil's parents must be advised of the serious nature of the allegations, and the possibility of serious disciplinary action being taken should the pupil be found guilty of the allegations made against him/her.
 - e) legal representation at the disciplinary enquiry is not permitted.
7. The conducting of the disciplinary enquiry is of great importance and must be chaired by an objective senior school official, who has not been involved in the investigation process. The enquiry chairperson will be responsible for leading and managing the enquiry process and making the critical decisions as to:
 - a) the guilt or innocence of the pupil relative to the allegations made;
 - b) the appropriate sanction to be taken, after due consideration of mitigating and aggravating factors.

To ensure that this crucial procedure is properly and fairly conducted, all disciplinary enquiries should be conducted in such a way as to ensure that the rules of natural justice are complied with i.e. the pupil/parent:

- must properly understand the allegations being made
- should be presented with all facts and information relating to the allegations
- must be given the opportunity to question evidence led and be heard by an impartial chairperson
- is entitled to present their own perspective and explain/defend their actions
- must be treated with dignity and respect throughout the enquiry
- is to be assured of the greatest confidentiality possible
- must be offered the right to appeal against any decision made by the chairperson.

After the completion of the enquiry, any decision made (whether to impose disciplinary action or not) should be formally communicated and supported by the enquiry chairperson. This notification must include a reminder that the pupil has the right to appeal against any action decided upon, within five days of the enquiry.

NB! Copies of all documentation must be retained by the school for record and safekeeping purposes.

18. DRUGS AND ILLICIT SUBSTANCES

- Pupils in possession of or caught using tobacco, alcohol, illegal drugs, illicit substances (including hubbly bobbies, e-cigarettes, 'vapes', etc) or any item associated with their use such as matches, lighters, cigarette papers, pipes, hookah pipes or who are under the influence of any unauthorised substance are committing an offence and will face an immediate disciplinary enquiry.
- Pupils in the company of others using alcohol, tobacco, illegal drugs or illicit substances are also

College Policies, Practices and Procedure Booklet

committing an offence and will face disciplinary action.

- Trading, supplying or selling of any drugs, including medication such as ADD tablets or dexamphetamine, is considered a very serious offence and the police may be notified.
- Tobacco, alcohol, or other drug emblems are not permitted on any items brought to school e.g. suitcases, pencil cases etc.

Other items not permitted at school:

- Chewing gum
- Weapons of any kind
- Firecrackers, etc.

Search and Seizure

A search may only be conducted after taking into account all relevant factors, including the best interest of the pupils in question or any other pupil in the school; the safety and health of the pupils in question or of any other pupil at the school; reasonable evidence of illegal activity; and all relevant evidence received.

All searches will be conducted in a manner that is reasonable and proportional to the suspected illegal activity.

Prohibited goods include:

- Dangerous objects include any explosive material or device; any firearm or gas weapon; any article, object or instrument that may be employed to cause bodily harm to a person or damage to property, or to render a person temporarily paralysed or unconscious; any other object similar in nature to the objects listed previously.
- Illegal drugs include any unlawful substance that has a psychological or physiological effect. Alcohol is an illegal drug on school property.
- Stolen goods are items possessed unlawfully.

No person may carry, store or allow any prohibited goods to be brought onto school premises or to any educational, cultural, recreational, sporting or social activity of the school within or outside the school premises.

The Head or a person delegated to by the Head (authorised person) may, without a warrant, search any pupil or group of pupils, or the property of a pupil or group of pupils, for any prohibited goods if a member of staff or another pupil has a reasonable suspicion that prohibited goods may be found on school premises or during a school activity. Any prohibited goods found may be seized by the authorised person.

Possession, suspected possession, use, or suspected use of prohibited goods may be brought to the attention of SANCA or the police if it is considered appropriated and may be followed up in line with the Disciplinary Code.

At the conclusion of any investigation, any prohibited goods will routinely be handed over to the South African Police Services, or a stolen item will be returned to its owner.

PEPPS may conduct urine or other non-invasive tests to test for alcohol and/or drug use. It is the duty of the pupil to disclose to PEPPS any medication that may have been taken that may affect the outcome of the test. Pupils need to provide PEPPS with a doctor's certificate after any such test, as soon as is reasonably possible, which states precisely what the nature of such medication is. These tests are necessary to ensure that all pupils at PEPPS are protected against the scourge of drugs in our society. A pupil may be subjected to disciplinary proceedings if a prohibited good is found in his or her possession or if a drug or alcohol test yields a positive result.

19. ECO SCHOOL STATUS

PEPPS is very proud to fly the WESSA Eco-Schools Platinum Flag. With this privilege comes the responsibility to care for the environment and to be responsible citizens beyond our school. We have outreach programmes which encourage charity and leadership. We also prioritise the environment in our curriculum, our

infrastructure and the behaviours we encourage. Recycling is promoted along with various opportunities to contribute towards sustainable living in an over-populated world.

Through the coordination of the Life Orientation teachers, all Grades must be involved in at least one community project in the year. Other activities include:

- Community Outreach
- Recycling – paper, plastic, glass and tin are collected at the school
- Eco Fashion Show
- Junior Rangers
- Blood Donating

PEPPS does not discriminate against any member of our community on the basis of HIV status. Pupils and staff are trained to handle all bodily fluids with latex gloves. If anyone is bleeding during a sporting activity, they will be asked to leave the field.

25. HOMEWORK

Homework serves to:

- develop perseverance and self-discipline;
- allow for practice, where it is needed, of skills learned in the classroom; to permit more ground to be covered and more rapid progress to be made;

Homework can take many forms, including written and revision work. The homework program shall vary according to the age and grade level of pupils. The amount of time and the rigours of homework should

College Policies, Practices and Procedure Booklet

increase as children get older. Consequently, the purposes and guidelines that regulate the Homework program differ at different stages through the school.

Teachers inform pupils in class-time of homework expectations and, where practical, upload homework onto Google Classroom. Pupils and Parents have free access and are encouraged to use it to assist in staying up to date and completing homework. Pupils are also encouraged to keep their own homework diary, either in paper or electronic form. Due dates for assignments should also be written on the assignment, assessment sheet or rubric (term planner section)

Resources required for lessons and homework are uploaded onto Google Classroom for each pupil to access both at school and at home, in order to enhance their learning.

Additional contact time may be booked with a teacher if a pupil is confused. Pupils must prepare specific questions for these additional contact time sessions.

In Grades 8-9 Pupils may need to study or source materials or read for their Creating Tomorrow Projects. Grade 8 and 9 pupils should spend approximately 1 hour on written homework per day. Additional time may need to be invested in studying for examinations and tests.

Grade 10-12 pupils can expect approximately 2 hours of written homework per day. It must be stressed that these are guidelines. Obviously, different students work at different speeds. Allowances need to be made for this. If pupils do not plan for coinciding deadlines by working consistently, they must not be surprised if they find themselves doing many more hours the day before tasks are due or tests are being written.

Homework should not be specifically set for weekends or holidays unless time is needed to catch up on incomplete work or to work on assignments.

26. LABORATORY USE

Laboratories can be dangerous areas in schools, for this reason, strict discipline needs to be followed at all times. The teacher must be co-operated with inside a laboratory. Pupils may not be unsupervised in a laboratory. No unauthorised experiments may be conducted. Lab benches must be kept free of clutter, all chemicals must be safely stored, and the gas supply must be off when it is not in active use.

In a laboratory, pupils need to wear lab coats and safety goggles. Shoes must be closed, and no loose items should be worn. All long hair needs to be tied back. Gloves should be worn when using chemicals that irritate or can be absorbed through the skin. Pupils should be made aware of the dangers involved and the precautions that should be taken before pupils handle hazardous chemicals and hazardous chemical reactions.

Any injury or breakage needs to be reported to the teacher in charge immediately.

27. LEADERSHIP

Each Grade is encouraged to focus on an aspect of leadership.

Grade 8 – Courage

Grade 9 – Self-worth

Grade 10 – Integrity (and Committees)

Grade 11 – Compassion (and Committees)

Grade 12 Citizenship (and Prefects)

PREFECTS

All Grade 11s are invited to submit an application to become a Junior Leader. In the best interest of the potential prefects, pupils with concerning academic records are not elected to become prefects, since this places additional pressure on them during their matric year. Junior leaders are selected from the applications based on sound academic performance, school involvement, satisfactory discipline record

College Policies, Practices and Procedure Booklet

and satisfactory school attendance. After serving as a Junior Leader, a pupil is eligible to be elected as a Prefect. Prefects are selected through the votes of Grade 10 and 11 pupils, prefects and teachers.

Prefects for the following year are announced at Prize-giving in late October.
Head prefects are announced at the term 1 Prize-giving.

COMMITTEES

There are six committees: Sport, Cultural, Spirit, Service, Eco and Media.

Pupils are only permitted to come to the library before school, during break or at the end of the day to print essays, speeches, or projects. Late return of books borrowed from the library incur a fine payable to the librarian. Damaged and lost books will need to be paid for at the library.

29. MERIT SYSTEM

It is expected that members of the school community will show:

Care	for others and for the school environment
Respect	for others and their property and for school rules
Courtesy	by acknowledging others, by speaking politely and by using good manners.
Responsibility	by being well presented, by being punctual and by doing their best.

At PEPPS we respect God by doing the following:

- Respect yourself. No matter the circumstances, always be honest. If you win do not brag, if you lose do not show anger. Congratulate others on their successes.
- Respect other students by valuing their comments and ideas. Do not bully and if anyone is bullying you, report it. If you observe someone bullying another person, report it.
- Respect all others by having good manners. Always say thank you when given something. Greet all people at the school and make them feel welcome. Make eye contact when engaging with others. When returning from a trip, shake the hand of every chaperone. Respect the formality of assemblies. Boys should stand aside for girls to enter or exit a room and all students should stand aside for a teacher, parent or visitor. If you are seated and a senior student, teacher, parent or visitor enters the room and does not have a place to sit, offer them your seat.
- Speak English in order to avoid excluding others from your conversation.
- Recognising the privilege of our beautiful grounds and buildings and keeping them clean.

Positive behaviour and achievements are rewarded with merit points. The merit points awarded are determined by the appropriate description of the achievement on the list of merit points. The teacher must fill in a merit slip, recording all the necessary information.

Merit badges are announced to acknowledge the accumulation of merit points. Merit badges indicating 100 Merits, 200 Merits, 300 Merits, 400 Merits, 500 Merits and 600 Merits can be achieved. Merit badges are available from the admin office at R30/ badge. If a pupil achieves 700+ merits at the end of a year, they will be awarded a Merit Scroll to be sewn onto the school blazer.

All merit badges and scrolls may be purchased from the uniform shop.

See Annexure B – PEPPS College Merit Points

30. PARENT CONSULTATIONS

Parent Consultations are held twice a year, at the start of the second and third terms. An additional parents' consultation evening is held for matric parents at the start of the fourth term. Parents are encouraged to set up an appointment with a teacher or the Grade Coordinator through the school secretary, should they have any worries or concerns that cannot be addressed at parent consultations.

31. PARKING

- Any pupil who wishes to park their vehicle on school property during the course of the school day must request the permission of the Head of the College.
- Any pupil who drives a vehicle on school property must be in possession of a driver's license. The driver's license must be brought to the school office to be copied.

- Once a pupil is granted permission to drive on school property it is expected that he/she will drive in a safe and cautious manner not exceeding the speed of 15 km/h.
- Pupils park their vehicles on school property at their own risk. The school accepts no responsibility for damage to vehicles parked on school grounds. Vehicles must be properly licensed and have third-party liability cover.

32. PEPPS PARLIAMENT

The PEPPS Parliament was established to act as a representative platform for the pupils. Representatives are elected by their peers. Two members are elected per class for six months. Meetings are held once a month and are chaired by the prefects. Before each meeting representatives are required to meet with their class and discuss any matters that they wish to be put before Parliament.

All members have equal say and matters are discussed democratically. Minutes are taken in each meeting and report back is given regarding issues raised at previous meetings. Subsequent to meetings, members are required to give feedback to their classes.

Parliament Assemblies are held once a term where Parliamentary matters are raised in front of the school. Parliamentarians are expected to present both commendations to and concerns about the school to the assembly.

A Parliament member who is put on detention will be asked to step down, and the class will have no representation in Parliament for the remainder of that term.

33. PLAGIARISM

Plagiarism is the "failure to acknowledge the ideas or writing of another" or "presentation of the ideas or writing of another as one's own" and should be read to cover intentional and unintentional failure to acknowledge the ideas of others. In this context "others" means any other person including a pupil, academic, professional, published author or other resources such as the internet. The College believes that failing to acknowledge the use of ideas of others constitutes an important breach of the values upheld within the school. The school uses software as a tool to help verify the originality of the work submitted.

Any work submitted by a pupil must be correctly referenced. If a teacher suspects that sections of work submitted are not the pupil's own and the work is not referenced, 10 penalty points will be given. The pupils will be given an opportunity to re-submission in two days. Habitual plagiarism will be dealt with in line with the Code of Conduct and may result in exclusion from PEPPS.

34. PRIZE-GIVING AND AWARDS

The Awards Committee consists of the Head, HOD Extra-Curricular and relevant Extra-Curricular staff. This committee will consider nominations for all awards.

Every effort is made to be objective and transparent in the criteria for awards. With the proliferation of the availability of external competitions, all criteria that refer to external competitions will need to be recognised by the Awards Committee. Acceptance of the validity of each external organisation will be carefully considered, however, recognition will be at the discretion of the Awards Committee.
